I AM REQUESTING SCHOOL BUS SERVICE FOR MY STUDENT. I understand that bus service is available on a first come first served basis, that each bus has a capacity limit. Once the limit has been reached, a waiting list will be started for all subsequent transportation requests. I will be notified immediately if there is a waiting list on the route I have requested. There is no guarantee that those placed on a waiting list will be offered bus services. Furthermore, I understand that routes and bus stops are predetermined and that changes are at the sole discretion of Fairmont Private Schools. I understand that my child will be allowed to ride on only one route, unless I pay the full price for seats on more than one route.

Furthermore, I agree that due to the unpredictable nature of transportation services, routes, stops and times may be modified at any time with little advance notice. I also understand that in rare cases, due to bus driver shortages or other emergencies, services may be unavailable and I will be required to transport my child/children to school (notification will be provided in advance). Fairmont does understand the importance of reliable transportation service, and will make every attempt to provide such.

Fairmont Private Schools or its agent has my permission to leave my child/children: (One of the two boxes below must be checked)

At a designated drop-off location even though no one is there to receive my child/children. \_\_\_\_\_ (Initial)

At a designated drop-off as long as I, or any of the people listed below, am there to receive my child. \_\_\_\_\_ (Initial)

I further understand that it is the responsibility of my child to arrive at his/her afternoon bus on time, and that if he/she should miss the bus, he/she will be placed in "extended day care" until I can pick him/her up.
