

# ISSUING OF PARKING PERMITS

## *Academic Year 2011-2012*

Parking at the Fairmont Prep Academy is at a premium and requires the purchase of a parking permit. Space is limited and all permits are issued on a first-come, first-served basis. Students eligible to purchase parking permits are prioritized as follows:

- First Priority: Seniors
- Second Priority: Juniors who carpool
- Third Priority: Juniors who drive alone
- Fourth Priority: Sophomores (subject to availability)

Any senior applying for a parking permit will receive one as part of senior privileges. Seniors must have their applications in by August 31st in order to be guaranteed a parking permit. After August 31st, the application process will be open to second, third, and fourth priority applicants.

Students are strongly encouraged to carpool as this cuts down on congestion in the parking lot and is good for the environment. To purchase a carpool permit, the driver will have to have two or more students in the vehicle when entering the parking lot each morning.

Please note that students who fail to abide by Fairmont's parking lot rules, speed limits, or directions given by our security staff will be subject to disciplinary action. Please complete the parking permit application and return to the Dean of Students office as soon as possible. The parking permit will be registered to the student and the car on the application and is non-transferrable.

The cost of the parking permit is \$100 and payment must accompany the application. Checks should be made payable to Fairmont Private Schools. Sorry, no credit cards.
