As the new school year approaches, we would like for you to review our pick-up and drop-off procedures. Careful planning has gone into these protocols in order to ensure the maximum safety of your children. We appreciate families following these important protocols throughout the year.

Procedures For All Students

Morning Drop-Off

Our staff or faculty will help the students make a quicker exit from their cars. You can help us in the following ways:

1. Have your child ready to exit the car as soon as you approach the school.
2. Avoid parking while in the drop-off line. Visitor parking is available on the south side of Mable. (Please enter off Broadway Avenue.)
3. Drive courteously and with caution.
4. **Please do not make U-turns on Mable Street.**

After School Pick-Up

- Please ensure a placard with your child's first and last name is clearly visible in the front window so our staff member can call your child(ren) to the pickup area.
- Please continue to move your car up in the parent pickup line as cars pull out to drive away.
- Parking on either side of Mable Street is not permitted between the hours of 2:00 pm and 4:00 pm.
- Do not stop and get out of your car to look for your child.
- Do not leave your car unattended in the pickup line.
- Do not park in the drop off lane to wait for your child during another grade level's scheduled pick-up.
- Please adhere to the red curbs, cones, and carefully posted NO PARKING signs at all times.

All elementary students (JK – 5th) must use the crosswalk with the crossing guard; this ensures the safety and visibility of that crosswalk.

Should you have any questions, please call the front office at (714) 563-4050.

Extended Day Program

Students may stay on campus after dismissal for Extended Day care for no additional charge until 3:45 pm daily. In addition to being flexible for those who might run a little late for dismissal, this grace period allows younger siblings to have some playtime before their older sibling is dismissed. Parents will then only have one pickup time for the whole family. At 3:45 pm all students who have not been picked up will be taken to assigned areas and will be signed into Extended Day. Parents may either sign up for Extended Day for the full year or pay a daily \$30 drop-in fee.

At 3:45 pm students will enter classrooms for a quiet study time. During this time, students will be supervised by a Student Services team member who will ensure they have a quiet place to begin their nightly homework. Following quiet study hall, students will enter the activity period of Extended Day and will participate in various activities both indoors and outdoors.

If your child is staying for Extended Day we encourage you to send an additional snack to school.

Please Note

- Please do not drop your children off at the local businesses that surround the school. When you drop your children there, you are putting them in danger while obstructing the normal process of the businesses. Parked cars may be ticketed or towed.
