2. Click Continue.

Your username is being converted to use Blackbaud ID with your email address:

pstudent2688@students.fairmontschools.com

Click Continue to sign in or to create a new Blackbaud Account.

**Continue**

3. Make sure the email address listed is your email address. Click Confirm.

### Confirm email address

Fairmont School manages the domain for  
**pstudent2688@students.fairmontschools.com.**

To sign in through the identity provider and enable your organization to manage your access, confirm the email address.

Otherwise, use a different email address.

4. Click to select your account. (Note: if you are using a computer or device that has had multiple email accounts logged in at one point, you may have multiple accounts to choose from or need to re-enter your email address.) You will be automatically logged into Blackbaud.
