EXTENDED DAY PROGRAM

Students may stay on campus after dismissal for extended day care for no additional charge until 3:45 pm daily. In addition to being flexible for those who might run a little late for dismissal, this grace period allows younger siblings to have some playtime before their older sibling is dismissed. Parents will then only have one pickup time for the whole family. At 3:45 all students who have not been picked up will be taken to assigned areas and will be signed into Extended Day. Parents may either sign up for Extended Day for the full year or pay a daily $30 drop-in fee when students are picked up.

Homework Headstart begins shortly after class dismissal, not at 3:45 PM. Parents please refer to the Homework Club chart below to confirm the specific start and end times. During this time, students will be supervised by a Student Services team member who will ensure they have a quiet place to begin their nightly homework. After a bit of homework time, students will enter the activity period of Extended Day and will participate in various activities both indoors and outdoors.

If your child is staying for Extended Day, we encourage you to send an additional snack to school.
