## 6th - 8th Grade Summer School

June 15 - July 16  
9:00 am - 12:00 pm

For three hours each day, Fairmont teachers focus on the skills most important to lifelong academic success: reading, writing, and mathematics. Part of each day is devoted to group work and learning stations. Teachers meet with small groups to differentiate and individualize the learning experience. When students are not working with the teacher in their small group, they rotate through a variety of learning stations that reinforce the daily lessons, promote independence, and encourage problem-solving. Students are assessed during the first few days of the program to determine summer placement.

\$1,450 FOR 6 WEEKS

## Pre-Algebra/ Algebra 1 review\*

June 15 - July 23  
9:00 am - 12:00 pm

Each day, for three hours, Fairmont teachers deliver a comprehensive review of essential skills vital for middle school success. This targeted class reinforces key Pre-Algebra and Algebra concepts, builds a strong foundation, boosts confidence, and prepares students for advanced math courses.

### Program Highlights:

- Tailored instruction based on individual student needs (e.g., Pre-Algebra, Geometry)
- Students are assessed during the first few days to identify focus areas, ensuring personalized preparation for the upcoming school year.
